DOCUMENTS TO BE ATTACHED

Tick the box and attach the relevant documents

1 Curriculum Vitae

1 cover letter

1 confidential letter of recommendation (professor, professional mentor, or past employer), submitted separately by the person recommending the applicant (see suggested form below). French Air and Space Force personnel will need to provide the DRHAAE decision instead of the letter of recommendation

1 passport-size photo

Copy of your identity card or passport

Copy of your highest degree diploma proving the prerequisites for the Advanced Masters or an early certificate of successful completion

Proof of level of English valid on the date of submission of the application file (In case of non-presentation of valid proof or in case of presentation of obsolete proof, the possibly selected candidate must provide valid proof during the course of study or at the latest, the day of his or her professional thesis defense. Otherwise, graduation will not take place.)

Initial primary control (IPC or CPR in French) : fill in all mandatory fields marked with an *. You must also fill in the field « previous address ». Do not fill in « 1 ». Please return to us as soon as possible. This document is intended for use in the context of a safety investigation.

CPR_2.0.pdf

For information, there are no application fees for this Advanced Master's program.

(Confidential)

Letter of recommendation (form)

NOTE FOR THE REFEREE

The person who has submitted this form is applying for admission to the Defense and Security in Space (AM DefSiS) Advanced Master® delivered by the French Air and Space Academy. We would be pleased to receive your feedback on this applicant.

After writing the letter of recommendation, **please send it to our administrative services** (Ecole de l'air et de l'espace depending on the status of the candidate), either by mail **or by e-mail to:**

École de l'air et de l'espace

DS/ Service scolarité

Chemin de Saint Jean

13661 SALON AIR

E-mail : admission-ms@ecole-air.fr

APPLICANT

Defense and Security in Space (AM DefSiS) Advanced Master ®
